The Early Years Are The Learning Years

Our Goals

- Promote interactive learning and encourage the child's construction of knowledge
- Help children achieve social, emotional and physical goals
- Encourage development of positive feelings towards being successful in school

- Have expectations that are realistic and attainable at this time
- Include children with disabilities in the curriculum
- Build and elaborate on children's knowledge and abilities. Challenge them to be successful
- Facilitate concept learning and skills development in an integrated and natural way
- Permit flexibility for children
- Encourage active learning and enable children to make meaningful choices

"Quality early childhood services are a community need and priority at New Opportunities"

- Promote asking questions and seeking answers
- Promote and encourage social interaction among children and adults
- Respect children's needs for activity, sensory stimulation, fresh air, rest, and nourishment
- Promote feelings of safety, security, and belonging
- Provide experiences that promote feelings of success, competence, and enjoyment of learning
- Promote positive relationships with families
