

# Voice Care<sup>®</sup>

*Personal Response System*

**Peace of Mind for you and your  
Family for about  
\$1 per day\***

*Provide security, safety and  
independence to the  
people you love.*

**How does VoiceCare work?  
It's as easy as 1-2-3**

<b>1</b> When you need assistance, push your personal activator.	<b>24 hours A day</b>
<b>2</b> The two-way voice console unit automatically dials our 24/7 Monitoring Center.	<b>7 days a week</b>
<b>3</b> Our operator will speak with you through the console unit to identify the assistance you require. Even if you can not speak or can't be heard, the right help will be sent immediately.	<b>*\$50 one time installation/ service fee. \$32 per month monitoring fee. \$13/month less than comparable systems!</b>
